**REQUEST FOR ISSUE OF CORRECTED SUPPLEMENTAL NOTICE OF  
ALLOWABILITY CONFIRMING THE ALLOWANCE OF CLAIMS 1-32, 35-38, 40 AND  
46-47 IN U.S. PATENT APPLICATION NO. 10/784,750**

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

A Notice of Allowance was issued in the above-identified U.S. patent application on October 6, 2010. The accompanying Notice of Allowability indicated that the allowed claims are claims "1-32, 35-38, 40 and 46-47 renumbered as claims 1-39." The issue fee has not yet been paid.

On October 4, 2010, the undersigned attorney filed a (first) Request for Issuance of Form PTO-892 in the present application, in order to confirm the Examiner's consideration of U.S. Patent No. 2,194,520.

On October 11, 2010, the undersigned attorney filed an Amendment After Allowance (with a minor amendment to the specification) including a renewed request for issuance of Form PTO-892 in the present application, in order to confirm the Examiner's consideration of U.S. Patent No. 2,194,520 to DARRAH, William.

On November 23, 2010, a Form PTO-892 was issued in the present application incorrectly identifying U.S. Patent No. 2,194,250 to TUREK, Frank S. Such Form PTO-892 was accompanied by a Supplemental Notice of Allowability indicating that the allowed claims are claims "1-32, 35-38, 40 and 46-47 renumbered as claims 1-39."

On November 24, 2010, the undersigned attorney filed a further renewed Request for Issuance of Form PTO-892 in the present application, in order to confirm the Examiner's consideration of U.S. Patent No. 2,194,520 to DARRAH, William A.

On December 7, 2010, a Form PTO-892 was issued in the present application correctly identifying U.S. Patent No. 2,194,520 to DARRAH, William A. as having been considered by the examiner. Such Form PTO-892 was accompanied by a Supplemental Notice of Allowability indicating that the allowed claims are claims "1-22, 35-38, 40 and 46-47 renumbered as claims 1-39,"

It is believed that the identification of allowed claims contained in the Supplemental Notice of Allowability issued on December 7, 2010 was in error, since the identification of allowed claims "1-22, 35-38, 40 and 46-47" in the December 7, 2010 Supplemental Notice of Allowability does not match the identification of allowed claims "1-32, 35-38, 40 and 46-47" previously stated in the November 23, 2010 Supplemental Notice of Allowability and the October 6, 2010 Notice of Allowability.

It is also noted that claims "1-32, 35-38, 40 and 46-47" encompass a total of 39 claims, consistent with examiner's indication in the November 23, 2010 Supplemental Notice of Allowability and the October 6, 2010 Notice of Allowability that the allowed claims would be renumbered as claims 1-39.

Since the December 7, 2010 Supplemental Notice of Allowability appears to misidentify the allowed claims, **Applicants respectfully request the issue of a corrected Supplemental Notice of Allowability confirming that claims 1-32, 35-38, 40 and 46-47 are allowed in the present application.** Such request is made to ensure that the correct claims are printed in the patent to issue from the present application.

Respectfully submitted,

/vincent k. gustafson/
